Student Illness Policy

Dear Parent/Guardian,

In order to prevent the spread of illness and to help students get well quicker, parents should keep students home who show signs of the following:

- Vomiting
- Severe Sore Throat
- Fever
- Ear ache
- Diarrhea
- Discharge from the eyes
- Stomach pain

It is school policy that if these symptoms are found in a child at school, parents will be notified and the student will be sent home.

****Children should remain home until they are symptom free for A FULL 24 HOURS.****

Keeping a child home for 24 hours not only helps them to rest and get well, but allows the illness to pass the stage where it will easily spread to other students.

As always, encourage your children and family to practice good hand washing to prevent the spread of illness.

Please feel free to contact me with any questions or concerns.

Sincerely,

Maryanne McCarty, RN
School Nurse
